

Emerging Manager *Awards*

The seven winners of the **10th Annual Emerging Manager Awards** have been selected. The firms, chosen by compiling the selections of a highly-respected pool of industry experts using both quantitative and qualitative measures, come from across the equity spectrum.

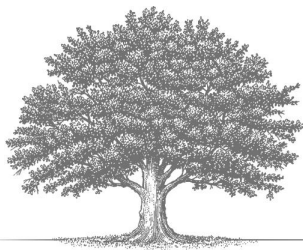

The awards categories were domestic all-cap, large-cap, mid-cap, small-cap and small- to mid-cap equity, international equity and domestic fixed-income. Each winner was competing with two other finalists for the awards. Finalists were selected using a quantitative screening process utilizing data from **eVestment**.

Individual selections for the awards will remain anonymous, however each award winner did receive the majority of the votes. We ask that managers do not contact the judges regarding the awards.
